Paramont Care Physicians
Bob McDowell, RVT

This page is for sonographers to have a way to share any issues that impact the day that should be addressed by CardioRisk. Please make any comments or suggestions here when issues arise so they can be addressed by the appropriate team member.
This page is an internal communication and WILL NOT be shared with the providers office.

SCANS PERFORMED 17

[Back To Log Sheet](#)

SCHEDULING	I was not notified of change in patient schedule until I call for a patient as was told that the schedule had change and should go off the one she gave me when I got there this mornin. At the time she handed me the schedlue she never mentioned there was a schedule change. I mentioned that I received the schedule yesterday afternoon in wich i was told to go by the one she gave me not the one from yesterday.
TRAVEL	
EQUIPMENT	
SUGGESTIONS	
OTHER	Two technically difficult exams. 1. Mr. Czwalga required two pillowes under his head and had a very short neck which compounded the difficulty of the exam. 2 Mr. Carriere's ICA's dove deep and made extreamly difficult to imags.
