05/22/2023 Todd: Dr. Eldredge,

I reviewed every CIMT I have ever ordered over the weekend to try to find patterns and increase my learning. I have questions regarding the following studies. Unless otherwise noted, my question for each is, "Is this a real plaque since it is only in one location?".

Nathan King 11/20/1974 - CIMT 3/30/2023. Plaque in one location (right bulb). Inflammation.
