Reader	Diane Nielson

Concerns:

Scan Date	3/13/2023
Arterial Age	21
CCA Mean	0.49
CCA Max	0.62

05/22/2023 Todd: I have a patient who had a first time CIMT recently that had a very good result and it was a surprise considering his history. I just wanted to make sure there was no mistake. Could you find out if there is any chance there was a mix up or error on this report?
