### Concerns:

The office did not specify their concerns with this patient after we followed up on the initial email (copied below). To our knowledge, it is just a general report review.

10/02/23 Jessica:

I hope you are doing well! I have 2 CIMT reports from 9/9 that Dr. Hood would like Dr. Eldredge to review and discuss with him:

- S. Baynham: Review and discuss requested.
- R. Bryant: Review left bulb and discuss.
